1MultiDark Scholar.
2MultiDark Fellow.
There was an erratum in equation (2.1) of our paper *Complementarity of dark matter direct detection: the role of bolometric targets* [1]. The correct equation should read

\[
\frac{dR}{dE_R} = \frac{M_{\text{det}} \rho_0}{m_N m_X} \int_{v_{\text{min}}}^{v_{\text{esc}}} v f(v) \frac{d\sigma_{W N}}{dE_R}(v, E_R) dv.
\]

(2.1)
