Description

"This all happened a long time ago, in your grandmother's time, or in her grandfather's. A long time ago. Back then, we all lived on the edge of the great forest." Neil Gaiman and Lorenzo Mattotti both remember the horror and fascination with which they read the Grimm

Brothers' "Hansel and Gretel." The writer and the artist now join forces for a brilliant reimagining of one of humanity's most enduring tales. This best-selling author and fine artist have created a stunning book that's at once as familiar as a dream and as evocative as a nightmare. Mattotti's sweeping ink illustrations capture the terror and longing found in the classic Brothers Grimm fairy tale. Gaiman crafts an original text filled with his signature wit and pathos that is sure to become a favorite of readers everywhere, young and old. Be brave, be bold, and keep your wits about you ? Gaiman and Mattotti are welcoming you into the forest.
