Description

International bestseller Mhairi McFarlane delivers a witty, clever, emotional new novel about a woman whose life unravels spectacularly after her screenwriter boyfriend uses their relationship as inspiration for his new television show. When Roisin and Joe join their friends

for a weekend at a country house, it's a triple celebration--a birthday, an engagement, and the launch of Joe's shiny new TV show. But as the weekend unfolds, tensions come to light in the group and Roisin begins to question her own relationship. And as they watch the first episode of Joe's drama, she realizes that the private things she told him--which should have stayed between them--are right there on the screen. With her friend group in chaos and her messy love life on display for the whole world to see, Roisin returns home to avoid the unwanted attention and help run her family's pub. But drama still follows, in the form of her dysfunctional family and the looming question: what other parts of her now-ex's
