SKILLS

PROGAMMING
- Python
- Java
- C#

FRAMEWORK
- Spring Boot
- Spring MVC
- Bootstrap

DATABASE
- SQL Server
- MySQL

VERSION CONTROL
- Git
- GitLab, GitHub

HOBBIES

- Music
- Sports
- Comunicate
- Read Books

CAREER GOALS

- Short-term goal (within the next 2 years): Dedicate efforts to learning and evolving into a Full Stack Developer, with the specific objective of achieving OCP certification.

- Long-term goal (from 3 to 5 years ahead): Actualize the aspiration to enhance professional expertise, strengthen knowledge, and progress towards a role as a Senior Java Developer or, potentially, a Tech Lead Java. Additionally, the aim is to master additional programming languages to broaden career development capabilities.
